Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c. and \$1. Every bottle guaranteed. HOSPITAL DIRECTORS MEET

New Officers Elected—This Worthy Institution is in Need of Funds

A meeting was held in the office of Dr. A. L. Izlar of the directors of the Marion County Hospital Wednesday evening for the purpose of electing officers for the ensuing year.

Dr. S. P. Eagleton having vacated the office of president by death, Dr. Izlar was elected to fill the vacancy. Dr. Van Hood was made vice president, C. L. Bittinger secretary and Ben Rheinauer treasurer. The old board of directors was re-elected, consisting of Drs. Izlar, Newsom, Van Hood, Smith, Thompson, Ben Rheinauer, Bittinger and Dr. W. H. Powers to fill the vacancy caused by the death of Dr. S. P. Eagleton.

The secretary's report showed that from February 26 to the present time, thirty-seven patients had been admitted. Of these a few were free patients, while a number were part pay. This refers to their board, care and medicine and medical attendance.

The report of the treasurer showed that only \$24 remained in the treasury and unless our philanthropic people were willing to tax themselves a mite for its maintenance, it would have to close its doors on the first of January. This institution and its corps of patriotic and generous surgeons have done a noble work during the year for suffering humanity, who have received more relief than the attending M. D.'s received pay, but all done in the name of sweet charity and unselfish feeling for suffering and helpless humanity.

It is an institution our people should be very proud of and an appeal to them for what little aid is needed to keep its doors open should find a hearty and prompt response. Those who are not now on the list at 25 cents a month will find the books open to receive their quarter. It takes \$40 a month to run the hospital and its only means of support are its pay patients, who, as previously remarked, are received for \$1 a day, which includes food, nursing and medicine, and in this sum there is no profit to the institution. It was therefore resolved that Ben Rheinauer appeal to the new council for a monthly appropriation to assist the hospital, with the following directors to assist in personal appeals to members of the "city fathers" in their respective wards, namely, Dr. Powers, first ward; Ben Rheinauer, fourth ward; C. L. Bittinger, second ward; George MacKay, third ward.

Mr. MacKay was appointed to see Mrs. William Sinclair and ascertain how many subscribers at 25 cents a month she had secured to assist the hospital.

The subject of an entertainment for a hospital benefit was discussed, but no definite action was taken, as it was understood a number of the ladies of the town who love their afflicted and suffering fellow men, were now at work and would give a charity ball on New Year's eve for that purpose.

On motion of Dr. Van Hood, a committee on resolutions consisting of Dr. Newsom, chairman, Ben Rheinauer and C. L. Bittinger was appointed to draft suitable resolutions on the death of our efficient and lately lamented president, Dr. S. P. Eagleton.

The following important resolutions were then adopted and the board adjourned.

Resolved, That the president of the board have full and complete charge of the management of the hospital, such as instructions for the nurse, the arrangements for food, medicines and supplies (provided, however, that the nurse shall have always on hand blank orders signed by the president, in order to prevent unnecessary delays in case of emergency), and the carrying out of the instructions of the board of managers.

That no bills be paid by the treasurer except such as have the order bearing the president's signature attached.

That the price of \$1 per day for attention in the hospital shall not include surgeon's fee, nor drugs and dressings.

Dr. W. H. Powers, a late acquisition to the medical profession of the city, was received as a new member with great cordiality. He is a pleasant gentleman, bright and engaging in his speech and manners and in due time will establish himself in the confidence of the afflicted of this community, as he has with all he comes in contact.

EXTENDS OVER TWO DECADES

St. Louis, Dec. 12.—The case of Mary Hillman, of Leavenworth, Kan., begun twenty-one years ago against the Connecticut Life Insurance Company to recover about \$20,000, alleged to be due in policies on the life of her husband, John J. This case has been reversed and remanded a score of times, and in resisting the suits the defendant corporation is said to have expended not less than \$100,000.
